SUBJECT : Recognition and sincere thanks
Gerard Buckley Cadet Fund grant awarded to the *1933 Gaspé Cadet Corps*

Dear Mr. Buckley

It is with deep gratitude that the members of the staff, the sponsoring committee and the cadets of the *Gaspé 1933 Cadet Corps* are writing to you today to express their heartfelt appreciation for the generous award of the above-mentioned bursary.

For several years now, Commanding Officer Fanie Gendron, supported by her staff and the sponsoring committee, has been working very hard to rebuild the *Gaspé 1933 Cadets Corps*. Since then, the commitment of these dedicated individuals has led to a notable revitalization, with the recruitment of new cadets, the anchoring of the unit in the community and its repositioning as a youth organization of choice in our region.

It is with development tools like the Gerard Buckley Cadet Fund bursary that we feel the recognition of the work accomplished, which encourages us to pursue our important mandate with our cadets.

The award was presented to the Commanding Officer of our Cadet Corps and sponsoring committee by Major Sébastien Laporte on Saturday, May 4th, during the annual review that brought our 64th year of training to a close. Attached are two photographs, the first showing the handing out of the Gerard Buckley Cadet Fund bursary, and the second showing our entire outstanding Cadet Corps.

You will shortly receive by mail a hard copy of this letter and of the attached photographs.

We thank you for your generosity, support and consideration.

Sincerely yours,

Mario Josée Leblanc

President
